

**REMARKS**

This is supplemental to the Amendment filed on August 16, 2005.

The present Amendment is being submitted in order to make certain minor corrections in the pending claims.

Claims 7 and 11 have been amended only to replace "reflecting means" by -reflection means-, in order to be consistent with the terminology employed in claim 8 and 9.

Claim 8 has been amended only to exchange the order of recitation of reflecting means formed of textured undulations and reflecting means formed of prisms and Claim 9 has been amended to clarify that the angle  $\alpha$  is associated with the plurality of prisms. In order to advance prosecution, claim 10 has been canceled.

The amendments made herein do not affect the arguments presented in the Amendment filed August 16, 2005, or the manner in which the present claims distinguish patentably over the prior art.

In view of the foregoing, it is requested that the prior art rejection presented in the previous action be

Reply to Office Action of May 17, 2005

reconsidered and withdrawn, that claims 7-9 and 11 be allowed and that the application be found in allowable condition.

If the above amendment should not now place the application in condition for allowance, the Examiner is invited to call undersigned counsel to resolve any remaining issues.

Respectfully submitted,
